PointDraw3.0 Pen

Specifications

Product Information

PointDraw 3.0 Pen Package	
Model name	PD03 Pen Package
P/N	5J.J8E26.A01
UPC code	8400460-2661-5

Pen (PD03)

PointDraw 3.0 Pen*	
Model name	PD03 Pen
P/N	5J.J8E26.A11
UPC code	8400460-2689-9
Operation frequency	2.4 GHz ISM Band
Rechargeable battery	1 pcs
Model name	UR14500P
Normal voltage	3.7V
Normal capacity	800 mAh
Storage temperature	-10ºC -60ºC
Operation temperature	0ºC -40ºC
Operation humidity	20%-85% (ambient temperature < 40ºC)
Power consumption	DC 3.7V, 35 mA (operation)
Dimensions	Length*Diameter = 186*26 (mm)
Weight	71.7 kg (.158 lbs)

QDraw 3 Software License Card

Operating System	Windows and MAC compatible
License Usage	100 PC license support per projector

Power Adaptor

AC input	100~240V AC, 50~60 Hz, 0.3 A max.
DC input	5V DC, 2 A

Charging Cradle

Power on/off	5V USB power on/off switch

RF Dongle

Working voltage	5V. Over low voltage will possibly cause communication error
Working temperature	-20ºC-80ºC
Working humidity	10%-90% Without condensation
Dimension LxWxH	42.4 x 30.48 x 5.8 mm; dimension tolerance meets GB/T1804-m

*PointDraw 3.0 Pen may be purchased separately from PointDraw 3.0 Pen Package

Compatible Projector Models:

- MW870UST *
- MW821ST
- MP780ST+ *
- MX822ST
- MW860USTi *

*PointDraw 3.0 Pen Menu key will not function with selected models
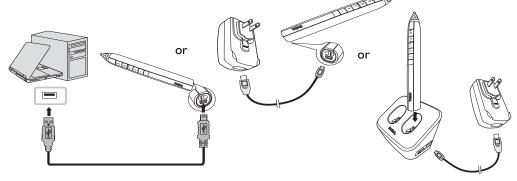

PointDraw 3.0 Pen Features

Left mouse button/Used as an up key when the PointDraw OSD is activated

Right mouse button/Used as a down key when the PointDraw OSD is activated

Activates the selected OSD menu item
