

BenQ Digital Camera AE220

Get creative, have fun

The AE220's amazing built-in image filters give you an exciting new creative outlet, and are loads of fun to boot. Give your photos a retro Lomo look, or turn them into Watercolor. You can add Color Accent or Fisheye effect. The built-in image filters open up new ways to express yourself—and make taking and showing your photos so much more fun.

Ample capabilities

The AE220 is designed so you can impress, with sleek contours, 16-megapixel CCD sensor, 26mm wide-angle lens with 5x zoom, roomy 2.7" LCD screen, and dedicated video recording button.

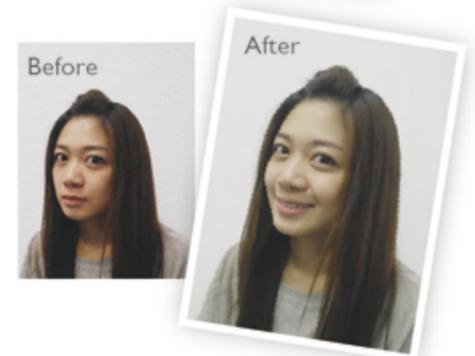

Self / Love Portrait

Automatically takes a photo when either one or two faces are positioned correctly in frame, taking the guesswork out of self-portraits.

Beauty Enhancer

Allows touching up of skin tone in your photos right on the camera, sparing the hassles of downloading them to a PC for editing.
