## Intuitive and user-friendly interface: Tap, Circle and Swipe.

The BenQ DSC E1050t does away with complicated buttons. With its 3" large touch-panel LCD and intuitive and user-friendly interface, DSC E1050t puts 80% of your photo shooting needs through a set of preset 'hot key' on a 'Single Tap' quick bar. All you need to remember from now on is to tap, circle, or swipe with the tip of your finger! Enjoy the flexibility of getting top quality pictures whenever and wherever you are!

### CIRCLE to zoom

Circle specific part of the photo with the tip of your finger to zoom up to 12X. Crop and save the enlarged section of the photo using the photo cropping function.

### SWIPE to browse and play

Swipe your fingertip across the screen to continue browsing through photos. It really cannot get much easier than this.

### TAP to focus and select

#### Tag to Shoot!

Simply view through the screen to find the object you want to capture and then just tap on the screen. Your most previous moment will be captured with ease.
