BenQ

INTERACTIVE FLAT PANEL

RP Series

Model		RP553K	RP653K	RP654K
Key Features		**EZWrite 4.0 Lite Annotation Tool** A wide range of files can be instantly opened with EZWrite 4.0 Lite for convenient annotations. The Floating Toolbar allows quick access to frequently used tools such as Whiteboard, Annotation Tools, Text, numbers, forms, and drawings are instantly converted with Intelligent Handwriting Recognition. Erasing is done with a palm swipe. And Tool Box includes features such as Calculator, Geometry Recognition, Timer, Buzzer and Score Board. **InstaQShare Wireless Collaboration Solution** Integrated InstaQShare app enables easy wireless presentation and collaboration by screen mirroring. Launching the host app and downloading the client app onto an Android, iOS, Mac or Windows device, up to 16 participants can instantly stream content like presentations and full HD videos smoothly. **Intuitive Design** The smart design of RP553K incorporates a sound bar with two front speakers and integrated pen tray. **Eye-Care Solution** RP553K provides proprietary eye-care technology with Flicker-Free performance and Low Blue Light emission preventing eyestrain and fatigue. Advanced anti-glare screen treatment minimizes reflections and glare. **Innovative Features** Some innovative features include 10-Point Multi-Touch, 4K Ultra-HD resolution and Driver-Free Touch Technology for Instant Plug and Play. These features allow RP553K to facilitate intuitive collaboration while enhancing interactivity.	**EZWrite 4.0 Lite Annotation Tool** A wide range of files can be instantly opened with EZWrite 4.0 Lite for convenient annotations. BECAUSE IT MATTERS

Under the brand philosophy, 'Because It Matters', BenQ strengthens and adds to its commitment to elevate and enrich the aspects of life that matter most to people today – lifestyle, business, healthcare and education, empowering them to live better, increase efficiency, feel healthier and enhance learning through people-driven, innovation-fueled products, services and solutions, ranging from digital projectors, professional monitors, interactive large-format displays, imaging devices, mobile computing devices and LED lighting solutions.

L *Lifestyle*
Living better

I *Business*
Increasing efficiency

F *Healthcare*
Feeling healthier

E *Education*
Enhancing learning

We are involved in the things that have the greatest impact on the enjoyment and quality of LIFE today.

CORPORATE SOCIAL RESPONSIBILITY

Our Commitment to People and the Planet

BenQ is dedicated to doing more for people. This includes not only the people who use BenQ's products and services, but all the people in the world today.
Our commitment to corporate social responsibility begins with our product development and manufacturing processes, extends to our team members and partners, and continues on to the environment and society at large.

Our Green DNA

Protecting our planet is part of everything we do. We focus on energy conservation, environmental protection, and the conservation of resources in all of our manufacturing processes as well as in our daily operations. For our customers, we strive to provide them with smart product choices with significantly lower carbon footprints. Simply put, we remain firmly dedicated to protecting the earth and preserving the environment.
