

BenQ Digital Camera T850

Enjoy the most Intuitive UI

Say goodbye to memorizing the user manual cover to cover and say hello to getting what you want with just a tap, circle, or swipe using the tip of your finger! Built with smc PENTAX lens and the 3X optical zoom, the T850 gives you the pristine clarity you need to focus, zoom and edit!

Tap to See!

Just tap with your fingertip to operate this easy-to-use interface.

Circle to Zoom!

Just circle a specific part on the photo with the tip of your finger and experience an automatic zoom up to 12X straight away.

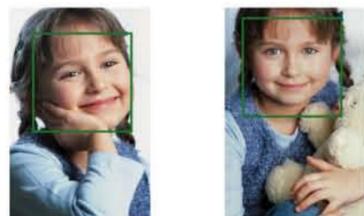

Swipe to Slide!

Swipe your finger across the screen to browse through the photos—Xleft to view the next and right to view the previous—Xinstead of pressing the tiny arrow keys.

Smile Catch Mode

The BenQ's Smile Catch Mode allows you to continue to capture more smiles by shooting automatically when a smiling face is detected until you press shutter button to stop the mode. This smart feature lets you capture every moments of happiness.

Full Scribbling Function

Get in touch with your creative side! Give your best friend a flower, put words in your dog's mouth, or frame your all-time favorite pose on the 3" large screen of the BenQ DSC T850. Experience the fun of full screen photo editing with splashes of color, hilarious callouts and personalized frames!
