Add a touch of enjoyment to your life!  
The BL2211 IM brings together outstanding image quality and high performance features in a stylishly fashioned body – making the latest visual technology an integral part of your home and workplace décor.

Because it matters

# BenQ LED Monitor BL2211M

## Designed to Please Your Eyes

The BL2211M is designed with layers of visually rich elements that are perfectly arranged to add harmony and balance to your workstation and living space. The boldly sculptured countenance is complemented by the gentle terraced contour and oval base stand while the front bezel is textured to comfort your eyes. Now, there is a monitor that is truly sophisticated inside and out.

### Flicker-free Backlight for Visual Pleasure

The Flicker-free technology eliminates flickering at all brightness levels and effectively reducing eye fatigue. Conventional LCD screens flicks 200 times per second. Your eyes may not see flickers, but can certainly feel them. Free your eyes from flickers by switching to Flicker-free Monitors and let your eyes do less work.

### Perfecting Your Audiovisual Enjoyment with Speakers

Whether you're listening to music or watching your favorite film, simply turn on the speakers to experience the audiovisual fun!

### 12M:1 DCR for Depth and Definition

The BL2211M comes with an ultra-high dynamic contrast ratio of 12M:1 to add color depth and definition to darkened and complex visuals, so that everything you see is perfectly rendered to deliver the most incredible picture performance.

### Eco Mode for Higher Energy Efficiency

The improved Eco Mode adjusts the backlight brightness level to ensure the highest display quality is presented to you with the highest energy efficiency. This intelligent mode reduces at least 37% of the power consumed by document viewing, Internet browsing and emailing and up to 44% of the power consumed by gaming.

### Win 8 compatible

The BL2211M have passed Windows 8 certification and is fully compatible with Windows 8 color systems. Plug in the BL2211M to your computer, and Windows 8 will recognize it instantly, making setup and connection effortless.
