

BenQ Digital Camera E1050

10 megapixel / 3x optical zoom

The BenQ E1050 is the world's slimmest 3" 10MP digital camera with a thickness of only 16.9mm. It offers excellent performance and an elegant design.

Web Sharing Mode

In web sharing mode, you can record your precious moments directly in a video size of 640x480 at 30fps up to 10 minutes and the quality is optimized for popular web sharing sites.

16:9 High-Definition Image

Capture high-definition images with the same aspect ratio 16:9 as HDTV (1920 x 1080).

Red-Eye Remover

The E1050 comes with in-camera Red-Eye remover function that allows you to remove the unsightly "glowing eyes" during playback.

without Red-Eye remover

with Red-Eye remover

AF Assist Lamp

The AF assist lamp helps E1050 get the right focus more easily in low light conditions.
