

BenQ Digital Camera E800

8 Megapixels / 3x Optical Zoom

The BenQ's new DSC E800 with 3X optical zoom and powerful noise reduction feature provides excellent picture quality. It's your best companion.

Smile Catch Mode

The BenQ's Smile Catch Mode allows you to continue to capture more smiles by shooting automatically when a smiling face is detected until you press shutter button to stop the mode. This smart feature lets you capture every moments of happiness.

On Device Battery Charging

Battery charging can be as easy as just charging through an adapter or a USB connection with PC or NB. No charger is required. Hassel-free!

Face Tracking Function

With up to 8 faces detection, you will sure to get every face to be well presented with the best clarity and color in the photos.

3:2 And 16:9 Special Output Size

3:2 resolution mode supported for easy printing without trimming edges; 16:9 resolution mode supported for direct display on 16:9 TV.
