

BenQ Digital Camera X800

8 megapixels / 3x Optical Zoom

Slim is always in fashion. With BenQ X800 in just 9.8mm, it becomes the world's slimmest 8 mega pixel DSC with 3" LCD and 3x optical zoom. X800 uses matted black/red and glossy silver exterior colors to create contrast and with clean lines and simple shape, the simplicity and beauty makes it a pleasure to own.

Portable Media Player

BenQ X800 offers powerful multimedia player functions. You can listen to MP3, watch MP4 videos and even use as a voice recorder. When in photo-shooting mode, the control keys are back-lit in blue and when they are in red, it's in multimedia player mode. This clever design makes the use of X800 simple and instinctual.

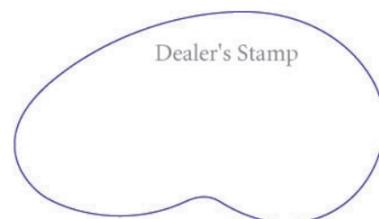

Face-Tracking function

X800 will automatically detect and track human faces up to 9 faces and is able to focus the faces to ensure the people are perfectly presented in terms of color and clearness in the photos.

High ISO mode and Super Shake-Free

You will no longer be troubled by those blurred photo caused by unexpected hand shaking or by the dark environment. BenQ X800 equips with High ISO up to 4000 on movie mode and ISO 2000 in shooting mode that help you to grasp sharp and clear images anytime, every time.
