Enjoyment Matters

- ☐ This glasses support DLP-LINK 3D Ready projectors. When DLP-LINK signal has not been detected for 180 seconds, the 3D glasses will automatically turn off.
- ☐ The 3D glasses will blink when the batteries are reaching the end of life.
- ⚠ **WARNING:** The 3D glasses are not prescription eyewear, sunglasses, nor a protective goggle. Do not use the glasses for any general eyewear purposes (e.g., driving, reading, protection from sunlight or ultraviolet light, etc.) as such use may result in injury.

Cleaning the lenses

Clean the lenses whenever you notice dirt or dust on the surfaces.

- Clean the lenses with a commercially available blower and/or lens cleaner.
- If there is dirt or smears, use lens-cleaning paper or moisten a soft cloth with lens cleaner and gently wipe the lens surfaces.

⚠ **Never rub the lenses with abrasive materials.**

⚠ **WARNING:** To avoid the damage of battery cover, be sure to follow the steps as illustrations for battery installation.
