1. Warranty service is available for all Products purchased and located in the continental United States, Hawaii, and Alaska.

2. You must contact BenQ Technical Support Center at 1-866-600-2367. Proof of the place and date of purchase is required to verify your warranty service claim.

3. BenQ or BenQ Technical Support Center will attempt to resolve technical issues over the phone. If telephone resolution is not possible, BenQ or BenQ Technical Support Center may determine as its sole discretion, to dispatch a service technician from its authorized service provider to perform the on-site service at your product location and issue a Return Merchandise Authorization (“RMA”) number referencing the repair order as further described in Section 5 (“On-Site Service”). Alternatively, a depot service may be performed as further described in Section 4 below (“Depot Service”). BenQ or BenQ Technical Support Center will then issue an RMA number to be used as a means of identifying the Product returned. RMA numbers are valid for thirty (30) days and void thereafter.

4. Depot Service.

(a) You may request “Depot Service” if you wish to ship your product to a BenQ Authorized Service Provider facility to be repaired or replaced per warranty terms.
