Part Number - FP553
UPC Code - 8-40046-00011-0
Standard Accessories - VGA cable, User manual
Target Customers - Perfect for schools, government, SOHO, and corporations

FEATURES AND BENEFITS

- 350:1 contrast ratio produces true blacks, whites and vivid colors that gives you greater control over color output.
- .297 pixel pitch means razor sharp images for the highest quality work and greater productivity
- Super Slim profile saves over 45% of your precious desk space.

- Wide viewing angles perfect for presentations to groups.
- TCO '99 rating for the highest safety achievable and low power consumption make the FP553 extremely environmental friendly.

The FP553 LCD Monitor is only 45% the depth of a regular CRT with the equivalent screen size. It saves you more than two thirds of the desk space needed for a conventional monitor, ideal for environments where space is at a premium. The FP553's high brightness of 250 nits and contrast ratio of 350:1 delivers great image quality for the most demanding user at an affordable price.
